Re: Addition

Dear Mike:

Harry and I just wanted to thank you for the beautiful addition you designed and built onto our home. We are so pleased not only for the end result but also for the professional and courteous manner displayed by you and your crew.

We both understand why you were so highly recommended to us by our friends, The Nailors, as we in turn will highly recommend you to our friends and family.

Thank you again for the beautiful and professional job as well as the overall ease.

Most sincerely,

Tammy W. Fulton
